

"The Grateful Crane" Hospitality Campaign

Cherish the smiles of our customers and make the Japanese spirit of “omotenashi” a memorable part of your trip.

With that in mind, we will be running the “The Grateful Crane Campaign”, where we will give away origami and envelopes.

“The Grateful Crane”（鶴の恩返し-Tsuru no Ongaeshi）is a heartwarming folktale from ancient Japan, in which a crane that was helped returns the favor.

In keeping with the spirit of “gratitude” and “giving back” contained in this story, we will give out “charms” with wishes embodied in the origami cranes to all global customers who visit our rental office.

Please accept this small heartfelt gift as a memento of your trip.

Start of Campaign: March 28, 2025

*Limited quantity. Ends when stock runs out.

*Please check the next page for participating rental offices(Periods vary by rental office)
